29 August 1984

Mr. Gary Chase  
Chief, Counsel  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Dear Gary:

25X1 This letter is to notify you of a proposed change in  
[redacted] which authorizes a special leave of absence for  
those employees who have suffered physical hardship or stress  
while serving overseas. As you recall, the SSCI had no  
25X1 objection to [redacted] when it was originally issued. However,  
HPSCI urged that some limit be placed on the amount of special  
25X1 leave that could be granted. Pursuant to this suggestion we  
have proposed a revision to [redacted] that limits the special  
leave to 30 days.

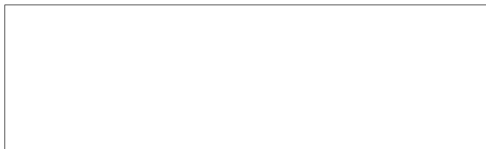

Because a revision to a regulation issued pursuant to  
subsection 4(b)(2) of the CIA Act of 1949, as amended, must be  
submitted to the SSCI prior to its publication, we are  
submitting the revised regulation to you for review. If you  
have no objections, the revised regulation will be published  
forthwith.

Sincerely,

Legislation Division  
Office of Legislative Liaison
